trimline

WELCOME

Welcome to the Vision Trimline range, our innovative fires are skilfully engineered to allow a trimless aspect. This means no distracting frames or visible mechanical workings - just fire. All our appliances are available in natural gas and LPG and the prices listed are suggested selling prices including VAT.

EVERYTHING YOU NEED IN ONE PACKAGE

We know the importance of keeping things simple. That's why every Vision Trimline fire comes complete with 'included extras' to help make your purchase as easy as possible.

As standard, all inset fires come complete with:

- Ecomax remote control
- Adjustable legs
- Control access door
- Convection vents
- Glowing embers
- Double Burner (DB) feature

INTERIOR STYLING

For that extra WOW factor, why not choose to upgrade to a black mirrored glass lining for your fire chamber and add a reflection to the fuel bed and flames to give a remarkable effect of added depth and detail.

If burning logs is not the look you are going for, then perhaps you would be more interested in an alternative fuel bed for your fire. The collection features a range of stunning options to choose from.

CONCENTRIC FLUE SYSTEMS

Our concentric flue systems manufactured in the Netherlands by Holetherm are specifically designed for use with balanced flue gas fires.

We have a wide range of flue components and sizes to suit most configurations. Quick and easy to install our concentric flue is made from stainless steel and is fully weatherproof. Our concentric flue systems are backed by a 10 year conditional warranty*.

* Terms & Conditions apply

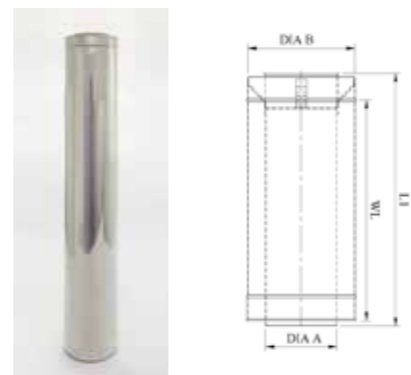

UP AND OUT PACKAGES

Code	Description	SSP Inc. vat
0128047	TC Flue Pack 1 (up & out) 38 & 46 Only	£356.90
0128048	TC Flue Pack 2 (up & out) 100 & 150 Only	£485.10
0128049	TC Flue Pack 3 (up & out) 130 & 200 Only	£726.50

STRAIGHT LENGTHS

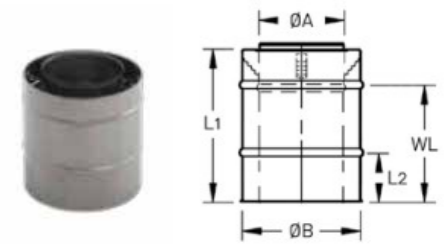

Available in three lengths which can be easily combined to achieve the required height for the installation. Each joint is firmly secured using the locking bands supplied.

Code	Description	Size	Dia A	Dia B	L1	SSP Inc. vat
0127800	Length 1000mm	100/150	100	150	1000	£125.89

ADJUSTABLE LENGTHS

This component is used to ensure any variation in length is achievable as outlined below. The adjustable lengths are non-load bearing and telescopic and a wall bracket must be used on the component directly above the chimney run. Extra insulation is included so that additional length can be filled.

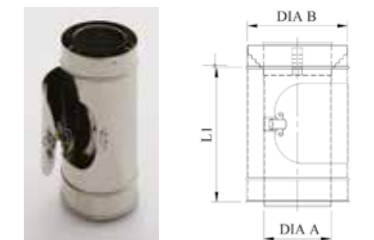

Adjustable length 310 - 445mm

TERMS AND CONDITIONS

1. Prices

Prices charged will be those at the time of delivery as shown in our price list, or as a quotation. We reserve the right to adjust prices without prior notice. Clerical errors are subject to correction (without prior notification). In the case of items manufactured to customers own special requirements, we reserve the right to charge a deposit at the time of placing an order. Carriage paid value may vary from area to area and can be subject to change. Please contact our sales office for updated terms.

2. VAT

VAT will be charged at the rate ruling at the time of delivery.

3. Payment

Account customers payments are due by the last day of the month following delivery, unless other terms are agreed prior to dispatch. Overdue accounts: we reserve the right to suspend further deliveries until all overdue accounts are paid in full, without prior notice. Overdue accounts: we reserve the right to commence legal recovery proceedings without prior notice. COD accounts: Payment by cheque or cash to our driver on delivery of goods. COD accounts: If cheque is not available on day of delivery it must be posted to arrive at this office within seven days, failure to do so will result in your account being suspended. No more deliveries will be made until full payment is received. We reserve the right to charge interest on all outstanding invoices beyond our terms.

4. Delivery

Shortages: all shortages must be reported within 5 days of delivery of goods. Total non-delivery of goods must be reported immediately upon receipt of invoice. Any delivery days quoted are genuine forecasts but shall not be legally binding on the supplier. Timed deliveries cannot be arranged. In the event of the supplier being unable to supply goods subsequent to receiving an order from the buyer, the supplier shall not be liable for any incidental or consequential loss. It is the buyer's responsibility, regardless of delivery address, to ensure the goods are as ordered and they are of satisfactory quality. The supplier strongly recommends that the buyer checks correct description and quality on goods delivery notes. In the event of any discrepancy whatsoever, the buyer must notify the supplier within 5 days of arrival of consignment, as stated on our delivery notes, and before the goods are processed in any way otherwise no responsibility can be accepted for any claims.

Upon acceptance of deliveries the buyer must sign the suppliers or carriers delivery note. Should examination at the time of delivery not be possible, the delivery note must be signed unchecked in order for any subsequent claim to be acceptable for damage in transit. Claims for loss or damage must be made within 5 days of arrival of consignment, informing the supplier and carrier of the loss or damage involved. Damaged items and packaging must be retained for inspection. The supplier shall not be held liable otherwise. Non arrival of goods despatched from the supplier, by van or other method, must be notified to the supplier within "24 hours" from the quoted delivery date, immediately by telephone, fax or email. In all events, the limits of liability for any fault or defect in the product shall be a sum not exceeding the purchase price of the particular goods, and the supplier shall not be liable for any loss howsoever arising. The supplier will not accept any liability for delays caused by "force majeure" beyond the suppliers' control. For next day delivery on replacement glass products, we aim to deliver within 24 working hours (Mon-Fri) on all orders placed before 2pm i.e order Monday 1pm, receive glass Tuesday next day. Highland and Islands will incur higher carriage charges, prices and delivery options should be checked prior to order.

5. Claims

All claims must be in writing. Damaged goods: this must be reported as soon as it is known, but no later than 5 days after delivery. Faulty goods: in the case of claim for faulty goods, replacements may be supplied and charged, pending a report from the manufacturer. Please note: wooden mantels and decorative tiles are excluded from our 5 days policy for damaged and faulty goods, these items MUST be checked on receipt.

6. Return of goods

We cannot accept the return of goods which have been specially obtained from the manufacturer. In the case of incorrectly ordered goods, if returned, they will be subject to a re-handling charge of at least 20%. No goods will be collected by our transport without prior agreement, nor without our collection note.

7. Title & Risk

Until the supplier has been paid in full by the customer for the goods supplied by it and all other balances outstanding to it from the customer at the date such goods are invoiced to the customer have been settled:- Such goods remain the property of the supplier, although the risk therein passes to the customer as soon as the goods are delivered to the customer's premises, and the customer shall indemnify the supplier against any loss or damage thereto. Until such time as property of the goods passes to the customer, the relationship between the supplier and the customer shall be that of bailer and bailee. The customer agrees to store the goods until title to the goods shall have passed to the customer hereunder in such a way that they are readily identifiable as the property of the supplier. Without prejudice to any other remedies, the supplier may repossess those goods at any time from the customer, and for that purpose the supplier, it's agents and servants may enter any premises upon which the goods are on, or reasonably thought by the supplier to be situated. The customer has the right to agree to sell and deliver, or dispose of the goods to any sub-purchaser, but any such transaction shall be deemed to be made on behalf of the supplier (but without imposing any liability on the supplier to such sub-purchaser), and the customer shall hold the proceeds thereof, or rights arising therefrom, against the sub-purchaser for and on behalf of the supplier until such time as the customer shall have made full payment for such goods and immediately upon such sale or disposal, the property rights of the supplier hereunder shall pass to the customer on the condition that he ensures the sub-purchaser pays the purchase price into a separate bank account in the name of the customer.

Nothing in these conditions shall confer any right on the customer to return goods supplied by the supplier or refuse or delay payment thereof. In the event of a liquidator or receiver being appointed, we reserve the right to set off any monies owed to this company against any monies owed by this company. We reserve the right to pass on any costs of debt collection which may be incurred by this company. Failure to make payment of our account within our terms may result in the account being suspended, and any goods supplied thereafter will be on a pro-forma basis only.

8. Suspension or termination of any contract

If the customer shall in the sole opinion of the supplier be unable or be unlikely to be able to pay any sums he owes the supplier, then the supplier shall (without prejudice to any other rights hereunder) be entitled to demand security prior to delivery, either by payment in cash, or by bank guarantee, notwithstanding any terms previously agreed, and in the event that the customer shall be deemed to have repudiated any contract without liability. If the customer commits any breach of these terms and conditions, or of a contract, or if any distress or execution be levied upon the customer or his property, or if shall make or offer to make any arrangements with creditors or commit any act of bankruptcy, or if any petition receiving order in bankruptcy be presented or made against him, or if a receiver be appointed over all or any of the assets of the customer, or if a winding-up order be made against the customer, or if the customer goes into liquidation (otherwise than for the purpose of reconstruction or amalgamation), the supplier shall without prejudice to any other rights and remedies it might have, and without any liability whatsoever have the right forthwith by notice in writing to:

1. Suspend or terminate any contract, or any unfulfilled part thereof.
2. Stop delivery of any goods.

9. Governing Law

Any contract, and these terms and conditions, shall be governed by English law, and any disputes arising in relation to the goods supplied, or the terms of the contract, shall be determined by the English courts to whose jurisdiction and decision the supplier and the customer hereby submit.

10. Copy Invoicing

Charges for copy invoices: requests for copy invoices that are more than 90 days old will be liable to an administration fee of £1.00p.

11. Guarantee

Guarantee covers replacement faulty goods only, no consideration for consequential loss due to re-decoration or re-installation will be considered.

12. Non-internet Policy

The Penman Collection is an exclusive, non-internet range as detailed separately in the supplier/buyer contract.
